

2019 Rising Star Award

1. SOCAP Australia Rising Star Award - 2019 Nominations/Applications

The SOCAP Australia Rising Star Award acknowledges an emerging staff member within the SOCAP community who has made a significant contribution to improving the consumer affairs or complaint handling process or outcome going above and beyond their job description within an organisation.

Nominations are welcome from Business, Government and non-government sectors.

New nomination process

This year the nomination application process is more creative and you can nominate using the application form on the website, as well as other creative mediums to illustrate your individual style. Nominations will be accepted via a video or power point display, if this supports the reasons each nominee is applying for an Award. Any application type will be accepted, as long as each nomination meets the criteria as set in the nomination forms for each award. Check the website for details. If a video application is used, your video nomination should be less than two minutes duration. Please note, finalists in each category may be asked to submit a video for promotion at the awards night, or SOCAP may undertake to deliver this video for presentation, so as to illustrate the work of finalists entries.

Please contact the SOCAP Australia office directly if you have any questions - phone 02 8095 6426 or email: socap@socap.org.au.
